RE: The Wave Studio, LLC v. General Hotel Management Ltd., et al.
Case No. 7:13-cv-09239-CS-PED

Dear Judge Davison:

As the Court knows, Plaintiff The Wave Studio, LLC ("Wave") is due to submit a letter-motion regarding discovery issues to the Court by today, October 14, in the above captioned matter. Unfortunately, lead counsel for Wave experienced a death in the family yesterday that requires attention to some immediate matters. Accordingly, Wave has requested and counsel for Defendant General Hotel Management Ltd. ("GHM") has consented to a two-day extension for Wave to submit its letter-motion, followed by a revised briefing schedule. Wave submits this letter with GHM's authorization.

Under the revised schedule, Wave would submit its letter-motion by October 16, 2015, GHM will submit any opposition by October 26, and Wave will submit any reply by October 28.]

The parties request that the Court reset the briefing schedule accordingly and appreciates the Court's understanding. If the Court has any concerns with this revised schedule, we welcome the Court's instruction.

Respectfully submitted,

COBALT LLP
